

# Class Supply Suggestions

Several parents have asked what supplies we could use for the classroom. Listed are items we use daily or almost daily in our class. Please remember, that these are just suggestions, and you are not required to purchase any items. If you choose to send in supplies they will be shared in our classroom.

- Tissues - We use lots.
- Clorox Wipes
- Mr. Clean Erasers
- Baby Wipes
- We will also ask for other items from time to time. Remember **you are not required to send anything.**

Thank You,

First Grade Team
