Dear Nitro Parents,

Time flies by fast! I can't believe its December already. It has been a great school year so far and I look forward to what the rest of the year holds for us here at NES. I am honored to be a part of this school. I am proud of your children and their daily accomplishments in the classroom.

Sincerely,

Maggie Holley

We are selling Nitro Tree Decorative Ornaments! Order or pick up yours today for \$5.00

End of 9 weeks and Report Cards

The end of the 9 weeks is on December 16. Report cards will be going home when we return to school on January 6. This marks the end of the first semester.

Tip: Check your child's backpack/agenda

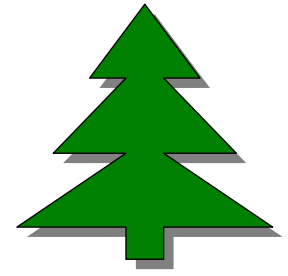

Tip: Provide a quiet space to study or complete homework

Tip: Don't wait until the 3rd and 4th 9 weeks to worry about low grades.

Cold Weather Is Here

Now that it is cold outside please make sure your child's dress code meets the requirements necessary for outdoor activity. This includes jackets, coats, pants, tights under skirts (remember skirts must be longer than the student's finger tips down by their side).

We go out for recess when the temperature is above 40°F.
