Dear Nitro Parents,

Can you believe that it is November already? Time flies by so fast! I am very proud of the students here at Nitro Elementary. The staff at NES are dedicated to providing the best education to all students. We are monitoring student progress carefully and appreciate all of the support.

Sincerely,

Maggie Holley

Thanksgiving Lunch

Several weeks ago reservation forms for 3rd through 5th grade went home for parents who want to eat Thanksgiving lunch with their child. We decided to split the younger students and the older students due to space issues in the cafeteria. We will not be accepting any late forms because the food has already been ordered for a specific number. My priority is to see that every child gets a tray of food. If additional orders are taken we run the risk of students not getting to eat (which is unacceptable).

November 17 3rd – 5th grade by reservation only NO EXCEPTIONS
Christmas lunch for PK-2 in December (reservations coming soon)
